**- Description of the fashion faculty and the most important course**

Fashion

Design at the University of the Arts Bremen is settled within the highly successful Integrated Designprogramme. This programme is unique in Germany and has been taught at the University of the Arts Bremen for **more than 10** years:

The Bachelor's programme (6 semesters) focusses on creative and interdisciplinary practice, and is informed by a holistic design perspective, allowing a main focus on

Fashion Design.

The Master's Studio "Fashion, Society and the Individual" (4semesters) is one of five thematic studios of the Masterprogramme Integrated Design. Coupled with interdisciplinary and experimental research the studios help students to create their individual focus in the wide-ranging fields of Fashion, Product and Communication Design.
